## Chapter 1 by Shae

I hide

I'm hiding from the scary world

The world I was brought into

Who knew the world was cruel

If the world was cruel then why not save me from it

Hiding isn't the answer

The answer is to face fear

To face fear is to live life to the fullest

## Chapter 2 by Keirsten

As full as you can fill it.

Fill it with love and passion.

But you can't so long as you live in the shadows.

Running from fear itself.

Fear itself can only get you so long as you-

WAIT!

Don't look back on the past only live in the now.

No, the future, yes, only look towards the future.

When everything's done and over with.

Fear is inevitable but only how you face it is what matters.
